## Five nights at freddy' s characters names

taking a white jumbo eye pencil, which I filled into my eyes, taking a bright blue shadow, which I put that in the center, then I used light blue from the metal tray to the contour, took a little dark blue and placed it on one side, then used black for the threads. Take a trip down memory lane that will make you feel the nostalgia of AF just in your mind: Welcome only to your mind. I asked to look from HenryandaGunner for Freddie from five nights at Freddie's. I have to apologize because I didn't notice that my camera was off (again) when I was drawing Freddie's face and eyes. But I used an Indian brown FAB for a face and a white paradise for the eyes. I also created a building paper hat and ears that I made and video the other day during my first attempt to do this makeup. I hope you enjoy it! Makeup used paradise face paint in white and black FAB face paint in lemon yellow, tiger, and Indian Brown for his muzzle FAB: Alice Blue Eye-shadow in black Music: YouTube music Sign up for buzzFeed Quizzes Newsletter - Binge on the latest quizzes delivered straight to your inbox with a Quizzes newsletter! While the 80s are definitely decades of hair, they've also been notable for some great TV shows. Iconic sitcoms and prime-time soaps such as Cheers and Dallas, respectively, ruled the airwaves. In fact, many of these shows remain popular today. Golden Girls, a popular sitcom of the 80s, still very much watched the show.

And, actress Betty White, who played Rose's widow on the show, may be part of the reason people loved watching - except that the comedy managed to win both the Emmy and Golden Globe Awards; clearly indicates the quality of acting, directing and producing this hit of the 80s. Dallas opened in prime-time soap opera with great eras - Larry Hagman, formerly I Dream of AGinn, Victoria principal, and Patrick Duffy (Man from Atlantis anyone?) checked the boundaries of flashy houses, flashy cars and even more flash dialogue. The show was asked several times by who fired at JR. Do you think he bit the dust as the series ended? But apart from the success of the show and knowing the characters by name, do you remember their often forgotten surnames? If you want to take a picture, learning how good your memory is, let's start! The Lion King (1994) was one of disney studio's biggest hits. When it was released in 1994, it was the second most cumbersome film of all time... of course, it was before Titanic (1997) and the superhero boom of the mid-2000s. For a feature animated film, however, this box office success has transformed the tides of children's entertainment (as well as Disney's staging status). It has even spawned several sequels and TV shows, as well as a list of laundry characters. The Lion King franchise has dozens of great characters. From fan favourites such as Timon and Pumbaa to the less liked Giena clan, this quiz will test your King Lion skills. If you're a true Lover of the Lion King, you'll know each of these characters, but if you ever need a little help, we'll give you some hints along the way.
